Sir:

In response to the Notice of Allowability dated September 28, 2007 kindly enter
Applicants' "Comments on the Substance of the Interview" without prejudice as follows:

Comments on the Substance of the Interview

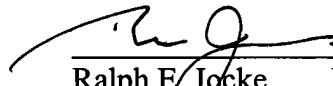

A conversation was conducted on September 27, 2007 between Examiner Joseph
Rodriquez and a representative (Daniel Wasil, Reg. No. 45,303) of Applicants.

Applicants' representative initiated the interview. Applicants' representative called to discuss the rejections. The claim 21 claim language was briefly discussed. As a result of discussing the claim 21 language, the Examiner determined that claims 21-27 were directed to a Group II that was patentably distinct from a Group I having the other claims. Thus, the Examiner indicated that a restriction requirement between the Groups was proper.

Applicants' representative elected Group I with traverse. Applicants' representative also agreed to have the Examiner cancel the Group II claims 21-27 by Examiner's amendment to place the application in condition for allowance. The remaining claims 1-5, 7-8, 12-17, 19-20, and 28-31 would be allowed.

The agreement reached is reflected in the Examiner's Amendment dated September 28, 2007. The Examiner's courtesy was appreciated.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
